Reimagine Your Meetings Following Roberts Rules

Meeting location: Virtual Zoom Meeting

Presentation by Susie Mariutto (Indianapolis Charter Chapter)

For some members this might be a refresher; however, you might learn a new trick or two as we explore the why, what, where and how of parliamentary procedure as it pertains to business meetings. These days it seems there is such a demand for our time. My goal is to give you a few tips to help you run your meetings more efficiently.

Susie Mariutto

Susie is a 44-year member of the American Business Women's Association (ABWA) joining in September 1976. It didn't take her long to get involved with her chapter. After three months of membership in the newly formed Hoosier Connection Chapter, she was asked to run for the Chapter's Corresponding Secretary and won. During her membership in both Hoosier Connection and Indianapolis Charter leagues, she served as chapter president for six different terms as well as other board positions multiple times except for treasurer (she knows her limitations!). Susie has also chaired or served on every standing committee as well as special committees. She is currently the Education Chair for Indianapolis Charter Chapter. She is a past Indianapolis Area Council Chair and also served on several council committees. In 2006 she was elected to the national board of directors as the District 5 Vice President. As a past national officer Susie is a proud Ambassador for the Association.

In 1999 and 2009 Susie was asked to be the local chair for the ABWA Spring Conferences held in Indianapolis in 2000 and 2010. She oversaw the local volunteers and worked with ABWA National as the liaison between the staff and the hotel where the conferences were held.

Susie just completed co-chairing the 2019 luncheon to honor our District 5 Vice President and agreed to continue this work for the 2020 luncheon event. Due to the coronavirus pandemic, the 2020 event was cancelled. Susie remains co-chair for the 2021 DVP5 luncheon event along with Jo Ann Huebner.

The mission of ABWA is to bring together businesswomen of diverse occupations and to provide opportunities for them to help themselves and others grow personally and professionally through leadership, education, networking support and national recognition.

EMC Vision: The council will be known by member leagues as the place to go to share ideas and goals, and to help achieve, maintain and level up best practices. We're known for mentoring and coaching candidates for National board offices.
